PROFILE

Dedicated and ambitious Computer Science student with a passion for technology and innovation. Currently enrolled in WestFord University, actively pursuing a Bachelor's degree in Computer Science. Possessing a strong foundation in programming languages, algorithms, and software development, with a keen interest in exploring emerging technologies. In addition to academic pursuits, I am an active member of the student council, where I contribute to fostering a positive and engaging campus environment. My involvement in the student council has honed my leadership, communication, and teamwork skills. I am committed to representing the interests of my peers and facilitating initiatives that enhance the overall student experience.
